

ARABIC LEVEL 2

LESSON 3

REVIEW

What are the harakat on the following letters?

أَبْ خِ جِّ مَّ نْ

SHADDAH ّ

The shaddah ّ denotes two of the same letters being together

$$\text{جّ} = \text{ج} + \text{ج}$$

WORDS WITH A SHADDAH IN THEM

From the words that you may have already seen with a shaddah:

اللَّهُ

يُكَذِّبُ

تَبَّتْ

كَأَنَّ

الضَّالِّينَ

LET'S USE WHAT WE KNOW!

Write the words down and circle the letters that have a shaddah on them.

ذَهَبَ الْمُدَرِّسُ إِلَى الْبَيْتِ.
إِنَّ مَعَ الْعُسْرِ يُسْرًا
أَرَأَيْتَ الَّذِي يُكَذِّبُ بِالْذِّينِ
كَذَّبَتْ قَبْلَهُمْ قَوْمُ نُوحٍ
